

Dunsinane

Chorus

Dunsinane Dunsinane Dunsinane
Dunsinane Dunsinane

Verse 1

I remember the day I first kissed you
I remember the flowers in your hair
You were young, I was brave, we were carefree
But we found a love we could share

Chorus

Dunsinane Dunsinane Dunsinane
Dunsinane Dunsinane

Verse 2

Well our castle of love is now empty
And the towers are granite and grey
And the flowers they have turned into ashes
And our kisses all blown away

Chorus

Dunsinane Dunsinane Dunsinane
Dunsinane Dunsinane

Verse 3

So tomorrow is all that is left me
For the past has been slaughtered for sure
And my life has become but a shadow
Just a foolish tale – nothing more

Chorus

Dunsinane Dunsinane Dunsinane
Dunsinane Dunsinane

Verse 4

All the blood on my hands has bewitched me
So that love, hope and fear cast no spell
Bring my sword and my shield and my armour
As I ride away into hell

Chorus

Dunsinane Dunsinane Dunsinane
Dunsinane Dunsinane
Dunsinane Dunsinane Dunsinane
Dunsinane Dunsinane
