

Southill Primary School

Year Six Summer Term 2022

Hola Mexico!

Welcome to Mexico. Get ready to explore this unique country, from its towering temples and stunning geography to its pulsing rhythms and fun festivals. Is your tummy rumbling? We never fear as we shall be concocting a traditional fruit cocktail and feasting on a delicious Mexican meal. Don't worry though as we'll go steady with the spices! We will travel back in time in order to discover the mysterious world of the ancient Mayan civilization. We will learn their poetry, play their ball game and follow all of their curious rituals. Feel like celebrating? Well, we will be designing a flute, grabbing the drums, joining a tribe and make some noise. Have you got what it takes to be chief? Let's find out as we say 'HOLA' to Mexico.

This half term, we will be reading the book 'Holes' by Louis Sachar. As **writers**, we will be writing instructions and exploring poetry. We will also write a recount about our residential trip to St Ives, Cornwall.

As **mathematicians**, we will be learning about:

- Converting units of time
- Statistics
- Real-life maths

As **musicians**, we will look at just how important music is to the Mexican people. We will listen to traditional Mexican songs and perform a hat dance. We will look at wind instruments and ancient Maya music.

As **geographers**, we will be locating Mexico on the map and finding out more about this country. We will look at the cities of the ancient Mayans.
